

NDAOD COVID-19 Protocol

Your dancer is showing Signs/Symptoms

- Contact us via email or phone.
- Dancer should stay home while symptomatic and/or get tested.
 - Pending Tests – Dancer should remain home while test is pending
 - Negative Test – Dancer can return to class once symptoms resolve
 - Positive Test – Please follow protocol for a positive test (see below)

Your Dancer had a Possible Exposure

- Contact us via email or phone.
- If the exposure was in the same building but not close contact, you can resume as usual if you are not showing symptoms.
- If the possible exposure tested negative, you can return to class if you have no symptoms.
- If your dancer is showing symptoms, keep them home while awaiting test results for you and/or the suspected person.

Close Contact tested positive (household, school, activities, etc)

- Contact us via email or phone.
- Quarantine for 14 days from the time of your last contact with a person with a positive test.
 - Negative Test – Dancer can return to class after 14 days of no symptoms.
 - Positive test – Please follow protocol for a positive test (see below)

Your Dancer tested positive

- Dancer tested positive
 - Contact us via email or phone.
 - Quarantine for 10 days.
 - All close contacts in associated classes will be notified of possible exposure.
 - Studio area(s) used by the dancer may need to close temporarily for a thorough cleaning depending on when we are notified.
 - All classes possibly exposed to Covid-19 will be held on Zoom until quarantine is finished.
 - After 10 days and no symptoms and/or a negative test result, your dancer can resume in-person classes.

Protocol will update as needed
